

<b>Date</b>	<b>Brown Bag Webinar Topic</b>
3/22/2011	The Costs and Benefits of Green Building-Putting the Research into Practice
4/14/2011	LEED for New Construction - Sustainable Sites
4/19/2011	LEED for New Construction - Water Efficiency & Innovation in Design
5/12/2011	LEED for New Construction - Energy and Atmosphere
5/17/2011	LEED for New Construction - Materials and Resources
6/9/2011	LEED for New Construction - Indoor Environmental Quality
6/21/2011	<del>Greenhouse Gases &amp; Green Buildings: Understanding and Achieving Key Reduction Goals</del> Green Codes 101: Navigating the Codes, Standards, and Rating Systems
7/14/2011	<del>Green Operations &amp; Multi-Tenant Engagement in LEED-EB:O&amp;M</del> O+M 252: LEED for Existing Buildings: Operations & Maintenance Credit-by-Credit Review - Sustainable Sites
7/19/2011	<del>The Keys to Green Affordable Housing - Affordable Green Multifamily Retrofits</del> O+M 252: LEED for Existing Buildings: Operations & Maintenance Credit-by-Credit Review - Water Efficiency & Innovation in Design
8/11/2011	<del>The Keys to Green Affordable Housing - Green Operations and Maintenance Strategies for Affordable Housing</del> O+M 252: LEED for Existing Buildings: Operations & Maintenance Credit-by-Credit Review - Energy and Atmosphere
8/16/2011	<del>The Keys to Green Affordable Housing - Data Collection and Analysis of Green Affordable Housing</del> O+M 252: LEED for Existing Buildings: Operations & Maintenance Credit-by-Credit Review - Materials and Resources
9/8/2011	<del>LEED Implementation on Campus: Strategies from Higher Ed, Government and Commercial Real Estate</del> O+M 252: LEED for Existing Buildings: Operations & Maintenance Credit-by-Credit Review - Indoor Environmental Quality
9/20/2011	<del>LEED 251: Strategies for Success in LEED - LEED &amp; Renewable Energy Techniques</del> Green Operations & Multi-Tenant Engagement in LEED for Existing Buildings: Operations & Maintenance
10/13/2011	<del>Renewable Energy &amp; EA Credits 1 and 2: Top 5 Strategies to Meet Energy Demand</del>
10/18/2011	<del>O+M 252: LEED for Existing Buildings: Operations &amp; Maintenance Credit by Credit Review - Sustainable Sites</del>
11/10/2011	<del>O+M 252: LEED for Existing Buildings: Operations &amp; Maintenance Credit-by-Credit Review - Water Efficiency &amp; Innovation in Design</del>
11/15/2011	<del>O+M 252: LEED for Existing Buildings: Operations &amp; Maintenance Credit by Credit Review - Energy and Atmosphere</del>
12/8/2011	<del>O+M 252: LEED for Existing Buildings: Operations &amp; Maintenance Credit-by-Credit Review - Materials and Resources</del>
12/20/2011	<del>O+M 252: LEED for Existing Buildings: Operations &amp; Maintenance Credit-by-Credit Review - Indoor Environmental Quality</del>
